

FAME - Partners in Medical Evangelism

Dear Prospective Donor,

First, we want to thank you for taking your time to read a short synopsis about FAME. Through donations of medical equipment/devices, FAME is able to provide help and hope to people around the world. Doctors and nurses in numerous countries are able to bandage wounds, diagnose illnesses, perform surgeries and prescribe medications using the equipment and supplies that you donate. While treating the physical problems, FAME's partners are able to speak to their patients about the love of Christ and His healing power. This door is opened with your help.

Over the past few months, FAME has sent supplies to many countries including Kenya, Honduras, Haiti, Mexico, the Philippines and Myanmar. For the year, FAME had 160 shipments to 30 countries!

FAME will accept all medical equipment and supplies except power chairs and power scooters, damaged or non-functioning equipment, non-medical mattresses, and medications with broken seals or which are outdated.

FAME is always looking for more people to help and we're hopeful to have the support of people like you and organizations like yours.

On behalf of FAME and its many mission partners, we look forward to partnering with you to send help and hope around the world.

Blessings from your FAME volunteers,
