

## Scripture Engagement

### FORWARD IN GENEROSITY

John's gospel tells of a young boy who brought a small lunch with him on the day He went to listen to Jesus (6:1-13). When the disciples looked for something to feed the crowd, he offered what he had. It didn't seem like much, but in the hands of Jesus, it multiplied to the point that it fed 5,000 people, and there were baskets of leftovers!

Won't it be exciting to see what our gifts to the FORWARD Initiative produce in the future as God directs our path?

## FORWARD IN GENEROSITY

God loves a cheerful giver. Today we are challenged to give courageously, consistently, and creatively as each of us considers our commitment to the FORWARD Initiative.

God's generosity abounds. The gift of Jesus to sinful mankind was the ultimate act of generosity. We recognize that everything belongs to God, and we are stewards of what we have and owners of nothing.

Generosity is more about faith than it is about finances. We reap the benefits of the generosity of those who have gone before us. May our generosity bless those who will be a part of our church family in the years to come.

- That God will mold us to reflect His generous nature.
- That generosity will become our way of life as God directs our paths.
- For God to lead each person at Fairway Christian Church to give cheerfully for the future of our church.
- For God's grace and unity to lead our church into a future that will glorify Him and GROW His Kingdom.
