**Encounters of
1st Impressions Ministry**

When the 1st Impressions Ministry makes a visit on Monday mornings a question they always ask is; "What brought you to visit Fairway"? The answers are sometimes surprising. One morning on a visit, the question was asked and the 1st. Impression visitor was surprised by the answer. The couple had been on a camping trip in Pennsylvania. They met another couple camping nearby. The couple they met had just returned from The Villages. By coincidence this couple was on their way to the Villages. Their newfound friends suggested, "If you do make it to The Villages, you must visit Fairway Christian Church. It is a great church". So, they did, and enjoyed it very much.

Elder Meeting Minutes April 17, 2023

The April Elder's meeting was called to order with the following elders present: Harry Harris, Harv Buckner and Roger Brown. Ken Zarse was absent. Presenters attending: the Preaching Minister, Butch Gastfield; Church Administrator, Chris Callahan; and Chairman of the Deacons, Michael Bolter.

Roger presented the opening meditation and prayer.

The March minutes were accepted and approved.

Michael presented the Deacon's report. He reemphasized the importance of meeting and greeting everyone with a warm and friendly welcome at every service. This continues to be a very busy time of year for the deacons, but they have been able to handle the demands very well, but there is still a need to add candidates to serve as deacons. The elders passed on their thanks and appreciation for their positive leadership and collective cooperative contributions toward the smooth operation of the church. Regarding security initiatives, Harry is going to pursue several avenues available to us, so the deacons can table their efforts in this area until we clarify the next steps forward. Michael said that volunteers, in addition to deacons, have been stepping up to assist Marv with classroom and sanctuary seating rearrangements during the week.

Chris presented the Administrative report. The March financial report was approved after the overview was completed by Chris. It was mentioned that we need to keep a close review on contributions to ensure that General Fund giving has not inadvertently been offset by FORWARD commitments which are to be above and beyond normal giving habits. Last month, general funds contributions were below monthly operating expenses, so we will need to carefully manage operational expenses. Steeple accounting will perform the 2022 Compilation/Audit report during the last week of April. Chris gave a very brief update for the Building Leadership Team (BLT) in that they are meeting with the architectural firm next week to work on project sequencing and projection of soft-cost analyses. Chris shared that our new church webpage should be up and running during the end of April or the first week of May. We are still awaiting approval from The Villages to proceed with our entrance sign upgrades. Average worship attendance for the month of March was 873 (including an average on-line of 80).

Butch presented the Preaching Minister's Report. He addressed the successes of the Celebration Weekend, the monthly Men's Breakfast, New Member reception and the Easter seasonal services. He also presented the Associate Ministers' Reports. In summary, we have a lot going on to include growth of the Senior Health and

Wellness Ministry, led by Lynn Canale, the Men's Ministry to be led by Jerry Benware, as well as new Bible classes. A presentation on the Church Plant efforts will be given by Jim Jacobs on Sunday the 23rd of April. Preparations for the Men's Retreat were also presented.

Under New Business, Roger presented a request from the Senior Health and Wellness Ministry to provide limited recovery support efforts for a special case in the church family. The request was approved and appropriate actions will be initiated by the ministry. Harry is reviewing our Safety and Security Policy in an effort to identify sources, specifically to provide training in reaction to emergency situations.

Harv closed the meeting with prayer.

The next monthly Elders meeting is scheduled for May 15th.

Don't Wait For The Perfect Time

Some of us feel that we are not ready to serve until the situation is exactly right and we learn all there is to know about a ministry. When we have this mindset, we will never serve God because it is simply not realistic to wait for completely perfect conditions. But, when we jump in and just get involved, we learn so many things that we did not even think of before, and we just begin.

Still, others may feel that we are just too busy to serve because they have too many things to do in life. We find in Ephesians 2:10 that we are created to serve God, "For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do". If we are too busy with golf, pickleball, clubs, or music at the town squares, we are in fact TOO busy. The number of activities we have to choose from in The Villages can be overwhelming. If we cut down on just a little of our activities, we can find time for what should be one of our main objectives in life – to serve God.

Now, we may think "If I don't wait for the perfect situation, won't that mean I could choose the wrong thing?" Surely the perfect ministry for you is out there somewhere! The only wrong choice is just not being involved. Don't wait for the perfect situation or to gather every small detail to get started. There are many ministries at Fairway that require only a small amount of your time. But you won't know if you don't get involved.

One hour a week of your time can make an impact. Contact Michael Bolter or the church office at 352-259-9305 to get going.

On Monday May 8th, you are invited to come to Fairway for a time of focused prayer dedicated to the church plant. This will not be a service, but rather a time when we can provide you with a prayer guide and you will be able to spend as much time as you would like in prayer. We are asking God to move as we seek to plant a church in or near the community of Middleton.

A Note from Jim Jacobs

We had almost 40 people at the first Church Plant meeting this past Sunday, April 23!!! There were several questions at the meeting, and we were able to answer some of them----so much of this initiative we simply don't have answers for yet.

You have responded very well to the Forward Initiative, which will provide much needed funds for this work of faith. Many have expressed interest in serving on the PRAYER team for the church plant while others want to be part of the SERVING team. This serving team will connect with the Villages Charter School, which will be moved to Middleton for the new school year beginning in August.

If you are not receiving emails from me related to the Church Plant, please email me at jjacobs@fairwaycc.org and I will take care of that for you.

Heads up----on Monday, May 8th, Butch and I will spend all day meeting with Jeff Swearingin with Florida Church Planters praying, discussing, and planning for this plant. To emphasize our need for prayer, we are inviting our church family to come to the worship center that day to have a time of focused prayer for God to guide and direct our church plant.

Please plan to come to Fairway on Monday, May 8th any time from 9 am to 12 noon in the worship center. We will provide a prayer sheet to help as we seek God's wisdom and guidance. This will not be a service, but rather an opportunity for you to come and stay as long as you want.

Let's pray and serve and watch God work!!

Jim

Thirty-five men.

Thirty-five men of God.

Thirty-five men of God on mission.

That describes the men of Fairway who were part of the very first Men's Retreat on the lovely grounds of the Lake Yale Baptist Conference Center April 18th and 19th. We arrived on a Tuesday afternoon uncertain of what was in store for us over the next twenty-four hours. But when we left on Wednesday, we were absolutely certain that God had begun a special work in us.

I have been to a number of retreats in my life and ministry, but this one has to be one of the best. We feasted on the great food from the Lake Yale staff and also on the spiritual food served by Dr. David Roadcup. David has long been a prominent leader in the Restoration movement as a preacher, professor, author, and passionate follower of Jesus.

David led us in several fun exercises---(think 'Have you ever') that helped us to get to know each other. He also led us in several spiritual exercises that caused us to reflect deeply on our personal relationship with God and with His church.

One of the many highlights of our time together was introducing Jerry Benware as the new Men's Ministry Leader at Fairway. Having worked with Jerry in the Forward Initiative, I can say with confidence that God will use him to challenge us as men to be the leaders in our homes, communities, and church that God has called us to be. I can't wait to see how God will bless the men of Fairway as we follow Jesus and 'step up to the plate'!

Jim Jacobs
