Construction Disclaimer

Please be advised that beginning the weekend of May 11th and 12th, our parking lot availability will change and continue through our 15 month construction project.

Only the North and West entrances to the building will be available during the construction period.

- Important Considerations:
- Do not enter any of the fenced or restricted areas of the parking lot or building.
 - Flexibility with the parking lot changes.
 - We are asking members to come in their golf carts, if possible, to save parking spots for cars. Please park in the grass areas.
 - If anyone has a 4 or 6 passenger golf cart that the church could use on Sundays only during the 15-month construction, please contact Chris Callahan. This will allow us to provide transportation from parking lot to church entrance for individuals needing assistance .
 - If you currently have a Handicap Permit, please pick up a green Handicap placard for your mirror at the Guest Services Desk.
 - Please keep in mind that there is a Saturday evening service at 6:00 pm.
 - Flexibility with scheduling classrooms & Events
 - There may be adjustments that have to be made on a weekly basis.
 - Please contact the office and fill out an event form for all reservations.

On behalf of the Elders and the staff, it is our desire to fulfill all your ministry needs. We appreciate your patience and flexibility during this 15-month construction process.
