Women's Spotlight on Sheila Easter Wife of Assistant Church Administrator, Michael Easter

Sheila was born in Christiansburg, Virginia. She attended Milligan College in Tennessee. She then attended Virginia Tech in Blacksburg, CA. She moved throughout her life to various towns in Virginia and settled permanently in the Villages in June 2022.

She has an interesting life with her music. She sang back up choir with Sandi Patti and also with a pop group as well as with the Lettermen at a concert at college. She also studied abroad at the University of Helsinki, Finland. She did 31 Easter Passion shows for a Community Theater in Rocky Hock, NC. She had many occupations throughout her life. She was a clerk while earning her BS degree in clothing, textiles and related arts with a degree in Fashion Design. She also worked as a Special Ed classroom assistant, taught as a substitute teacher and earned her Teachers Certificate in Virginia. Then she taught high school classes for 8 years.

She was raised in a small Church, Community Christian Church of McCoy, VA. When she worked at Kempsville Church of Christ she served as an Office Manager that provided a way to put her son through college.

She always gave time volunteering. She served as President of a Christian Women's Connection and serving 10 years with a Crisis Pregnancy Center.

Her favorite scripture is John 20:29, "Because you have seen me do you now Believe? Blessed (happy, spiritually secure, and favored by God) are they who did not see (Me) and yet believed (in Me)"

Her favorite activity is to dine out with friends & she enjoys Indian Cuisine.

She has no want as she is content because she traveled to many countries and in the US with her family.

Her Hero is her Daddy. If you see her, ask why Daddy was her hero.

Lilies are a symbol of purity, rebirth and hope. A reminder of our Savior's Resurrection.
