Being a parent is tough and sometimes making ends meet can be a challenge. Through the Clothe-A-Kid program from Love INC, churches are helping parents stretch their clothing dollars. CAK not only helps children dress with confidence, but it also intentionally opens doors for long term connections with families.

Volunteers are paired with a family to help them select the clothing and shoes (following school guidelines) needed. Volunteers also help track the spending of the family while showing the love of Christ to them. This program is only limited by the number of volunteers we have to shop with families.

Invest in a child to shop for Back to School clothing. A \$70 investment from someone like you plus \$10 from the family will allow one child to go shopping with \$80. Like to shop? Interested in sponsoring a child? *Sign up on Fairway's website or call Love INC at 352-245-8774 for more information.*
