ELDERS

Elder Meeting Minutes October 20, 2025

The October Elder's meeting was called to order with the following elders present: Harry Harris, Paul Cook, Jerry Benware, Fred Holland, and Roger Brown. Presenters attending: Preaching Minister, Butch Gastfield; Chris Callahan, Church Administrator; Michael Bolter, Chairman of the Deacons; and Lynn Canale, Senior Health, and Wellness Coordinator.

Paul presented the opening meditation and prayer.

The September minutes were accepted and approved.

Michael presented the Deacon's report and shared that the Emergency Response Team headed by Tom Ross excelled during the first few months of full operation. He also stated that the Parking lot ministry is still in need of more volunteers for the 10:30 service. Michael highlighted that Bernie Gattozzi is looking for several volunteers to work with him on a Bible Study held at WaterCrest Senior Living Facility. Michael shared that Richard Parker will be helping him with scheduling and other duties. A record number of 103 men attended the monthly fellowship breakfast, noting we will now need to raise our attendance goal. It was noted by the Elders that the Deacons have great communication within the Ministry. The team is experienced and well led.

Chris presented the administrative report. The financial portion of the report was reviewed and approved. Chris reviewed the draft 2026 Budget with the Elders. During the November Elders Meeting the 2026 budget will be finalized and approved for presentation to the congregation. This presentation is scheduled for December 6th and 7th with congregational vote of approval to follow on December 20th and 21st. Chris noted that the tithes and offerings for this year continue to lag behind the annual budget. After review, the elders prepared an update for an informational presentation to be given to the congregation on the weekend of October 18th and 19th. This is the first time in memory that we have been behind the budget curve at this time of year. Chris shared that the Grand Opening was a big success with approximately 700 individuals attending.

Butch presented his monthly activities update along with the associate ministers' written reports. He highlighted coordination efforts with the Unity Church oversight directors and the Christian Restoration Association Ministry Summit in preparation for the February conference to be held here at Fairway. He conducted a wedding this month in addition to numerous visits, membership interviews, staff meetings and sermon preparations. The Associate Minister's reports covered a number of activities to include planning efforts for the Fairway's Got Talent 2026 event to be held in January, the Christmas Musical, "The Gift of Christmas" and the Big Band Christmas concert. Provided updates on Sunday morning and Wednesday evening Bible studies, as well as community outreach and counseling services.

Under Old Business, Butch presented a detailed approach for the revised invitation process which is now undergoing finalization.

Under New Business, Harry shared that a refresher course on faith fundamentals will be conducted for all teachers, facilitators, and discipleship leaders to ensure everyone has a clear understanding of the theology fundamentals of our Restoration Movement Church. Lynn Canale presented a proposal to start a new ministry entitled

"Respite Care Ministry." Investigation into this concept is underway. Paul shared that the Missions Committee has nominated Mike Czewonky as the Chairman of the Missions Committee starting in November and approval was provided by the elders.

The meeting was closed in prayer by Roger.

The next monthly Elder meeting is scheduled for November 17, 2025.

SENIOR HEALTH & WELLNESS MINISTRY: CARING FOR BODY, MIND, AND SPIRIT

The **Senior Health & Wellness Ministry** is dedicated to helping our church family live healthy, active, and faith-filled lives. Our mission is to prepare seniors and their families for the sudden and unexpected situations that often come with aging—such as illness, injury, or the need for extra care—and to provide trusted guidance **before a crisis occurs**.

Through educational programs and compassionate outreach, we help individuals make wise, faith-centered decisions about where they should safely live, how to plan for future medical or caregiving needs, and how to approach end-of-life matters with confidence and peace of mind. *We believe that being informed and prepared helps reduce fear, promote independence, and allow families to focus on what truly matters—loving and supporting one another.*

Our events cover a wide range of topics designed to meet real-life needs, including the **Living Well Expo, Savvy Caregiver Training, “Should I Stay or Should I Go?”, How to Choose and Pay for Senior Living Facilities, Planning for Emergencies, Elder Law Seminars, Dementia Resources Expo, and Senior Safety, Security, & Scams**. Each session provides practical tools, professional insight, and spiritual encouragement to help seniors and their caregivers navigate the challenges of aging with grace and wisdom.

Beyond group events, we also offer **individual support** to help members identify and access the right community and healthcare resources—whether that means finding in-home assistance, exploring senior living options, or connecting with local agencies. Our ministry encourages everyone to plan ahead, so decisions are made thoughtfully and confidently, rather than in moments of crisis.

Be sure to subscribe to or watch for our monthly newsletter for updates and upcoming events designed to equip, educate, and inspire.

This ministry brings together health professionals and caring volunteers who walk alongside others through every stage of aging—helping them stay prepared, informed, and supported in both body and spirit. Together, we are living out the love of Christ in practical ways, reflecting His heart of compassion and service.

“Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.” — Matthew 25:40 (NIV)
